

DUO ONTSTOPPER

EXTREMELY POWERFUL AND EFFECTIVE 2-COMPONENT DRAIN CLEARING AGENT

APPLICATION

Directions for use:

Release the childproof cap on the container by pressing it down while unscrewing.

Remove as much water as possible from sink or washbasin. Release the childproof cap on the container by pressing it down while unscrewing. Carefully pour part 1 (see scale) of bottle 1 (red) into the drain. Screw the top back on the bottle. Now carefully pour part 1 of bottle 2 (black) into the drain and allow the product to act for at least 1 hour. If the drain is difficult to clear leave the product to act overnight. Screw the top back on the bottle. Rinse with copious amounts of hot water. Now pour part 2 of bottle 1 (red) into the drain. Also pour part 2 of bottle 2 (black) into the drain and allow the product to act for 1 hour. Rinse with copious amounts of hot water.

Points of attention: Never use in combination with other products as this may release poisonous gases.

STORAGE CONDITIONS

Keep in a dark, cool place, in an upright position, during storage or transportation.

PRODUCT DESCRIPTION

Duo Unblocker is an extremely powerful and effective 2-component drain clearing agent, specially developed for the most stubborn drain blockages.

FIELD OF APPLICATION

Suitable for most types of piping in the kitchen, shower, WC and washbasin.

Not suitable for aluminium or zinc piping. It can erode aluminium, zinc and some types of paint, as well as light metals.

PROPERTIES

- Extremely powerful thanks to the 2-component technology
- Accesses the deepest parts of the drain
- No effervescence or splashing
