

HAND CLEANER

HAND CLEANING CREAM WITH SCRUB FUNCTION

pH-value: approx. 8

Flash point: K3 (>55°C)

STORAGE CONDITIONS

At least 12 months after production. Limited shelf life after opening. Store in tightly closed container in a dry, cool and frost-free place.

PRODUCT DESCRIPTION

Hand cleaning cream with scrub function.

FIELD OF APPLICATION

Cleans heavily soiled hands fast, easily and pore-deep. Especially for adhesive, sealant, alkyd and nitro paints, dried latex, ink, oil, grease, tar and bitumen.

PROPERTIES

- Cleans quickly, simply and pore-deep
- With PU abrasive: scrubs dirt from hands
- Protects the skin
- With fresh scent
- Contains shea butter
- Dermatologically tested

APPLICATION

Directions for use:

Apply Handcleaner Scrub on dry hands and rub until the dirt has completely dissolved. Rinse hands with water or wipe with a cloth.

Stains/residue: Remove wet stains immediately with water and water only. Dried adhesive stains can only be removed mechanically.

Points of attention: Bison Hand Scrub Cleaner is an oil in water emulsion. As a result, the Hand Cleaner can be used without water. When applying and rubbing the skin, never use water. Residues can be washed away with water. If no water is available, the remains can be rubbed off with a dry cloth.

TECHNICAL SPECIFICATIONS

Chemical base: Aliphatic hydrocarbons, tensides, soap, PU abrasive granules
